Twelve Parishes were reported as represented, besides those yesterday. The following resolution was introduced

by Mr. Huske: Resolved. That visiting Clergymen from other Dioceses and Clergymen of this Diocese, but not canonically entitled to seats in this Convention and Candidates for hely orders, be invited to take

honorary seats in this Convention. Mr. H. thought that the Constitution should be respected, and no member of less than twelve months standing should be received and considered as members.

Mr. Forbes called the attention of the Convention to the fact that five delegates were present from one Parish, upon which the Secretary explained that the proper course was to call the roll until four delegates answered; to which no objection was raised.

The Committee on Elections made the following report through its Chairman, Rev. R. B. Sutton :

The Committee on Elections begleave to repor that they find all the certificates of Lay Delegates in due form, except that of Christ Church, New Bern, which is signed by the Rector, instead of the Secretary of the Vestry, as required by the Cannon. Dr. DeRosset moved that the Report be so amended that the Secretary be authorized to alter or amend the list as to strike out all who are not residents of the Diocese and append them as honorary membars. Gen'l Barringer opposed the motion, when it was withdrawn by Dr. DeRosset. Certificates of the Election of Lay Delegates to the Convention, by St. James' Church, Beaufort county and St. Barnabus Church, Snow Hill, were handed in. On motion of Judge Battle the vote ad-

The Convention was called to order at the appointed hour.

The committee on the subject of the Parishes in this Diocese, appointed by the Convention, stated that they had no report to make, and thereupon on motion of Rev. Mr. Forbes, the committee was continued until next Convention, but upon motion of Judge Battle, on discussion, this committee was discharged.

The Rev. F. W. Hilliard, Rev. Edwin Gear and W. B. Sheppard, Rob't Strange and W. G. Lamb, lay delegates, appeared

and took their seats. On motion of Dr. DeRosset, it was resolved that the Secretary be requested to report to the Couvention, as soon as it can be prepared, as complete a list as practicable of all the Parishes in the Diocese which have been admitted into the union with the Convention and which are now in existence, specifying such as have been represented at any Convention since, or neglected to appoint delegates since 1865 and as far as can be ascertained, the causes

of such want of representation. On motion of Judge Battle, it was resolved that the committee appointed at the last Convention be instructed to enquire into this matter and be thereupon discharged from further duty.
